This is terrible. No wonder they are known as the UK's worst CONservation hooligans.

Is a charity allowed to con us like this?

'You can't win 'em all.'
Lord Haw Haw.

Since I stopped donating money to CONservation hooligan charities
Like the RSPB, Woodland Trust and all the other fat cat charities
I am in the top 0.217% richest people in the world.
There are 5,986,950,449 people poorer than me

If you're really interested I am the 13,049,551
richest person in the world.

And I'm keeping the bloody lot.

So sue me.
