BE WARNED YOU PHUCKERS. I WILL BAR BQ YOUR ASS.

We have received an allegation that you have posted an article/s to newsgroups demon.local,alt.animals.ethics.vegetarian,talk.politics.animals, uk.environment.conservation,uk.rec.birdwatching,scot.birds,uk.rec.gardening, uk.business.agriculture,uk.rec.fishing.coarse,sci.agriculture.poultry [<kmfdljArhNO5EwYq@4AX.com and others>] which our external solicitors believe to bear a defamatory meaning and as such we have had to remove the article from our servers.

The part in question is the comment "Pete is a fraud, a liar and a cheat." as well as some other comments in your article.

We cannot and do not make any judgement as to whether such material is defensible. However, the state of the law at the moment means that if we are put on notice that defamatory material is being published through our systems, Thus plc may be liable for damages, along with you, if it does not take action to prevent that material being published. Those damages could be substantial and we could both incur heavy legal expenses.

In addition, the current state of the law could leave Thus plc liable if it failed to take action and you disseminated any further material through our systems which was later found to be defamatory.

While we do not necessarily agree with the current legal position we must accept it, and have therefore removed the posting in question.

Please reply to this email acknowledging that you understand the problem and that you will not, in future, publish further material which could be considered defamatory of Pete through Demon's systems.

We attach below a suggested form of acknowledgement for your convenience.
