Agreed. I heard this morning that the police have searched houses and arrested someone. Kind of reassuring if true ... and they have the right people.
The french govt thought they could get away with this sort of thing here too ... and were quickly proved wrong. The police seem to be a lot better at solving these crimes than bush will ever be at "winning" his "war".

Thanks again. :)

Bruce

The power of accurate observation is commonly called cynicism by those who have not got it.
– George Bernard Shaw
Cynic, n: a blackguard whose faulty vision sees things as they are, not as they ought to be.
– Ambrose Bierce
