There are 1,031 days 'til Inauguration 2009.

Who are you replacing him with  
It will not be a day too soon

AMEN!

Dunno yet. "almost" anyone would be better. We are being run by Alfred E. Newman. What a tragic joke. Whoever gets it, I can hardly wait. Every day our current president is so, our economy, reputation, world stability erodes rapidly away like silt in a raging torrent.
