[snip]

How long have you been reading here?

I think "Claud" has been reading here for a number of years.

[snip]

Hum, must have been one of those quiet polite types, easy to forget?

Without Mario, life would be alot less entertaining:

"Today we are nothing like primates."  
-- Mario 10/31/2005

You're gonna have to get up alot earlier in the morning  
if you hope to complete with that kind of writing, mister.

Geeze, I haven't read the sig files in a while:

"Today we are nothing like primates."

Re: Forum for rational scientific debate?

— Mario 10/31/2005

Certainly Mario is one of a kind!

Jois
