Answer the question you evasive twit.

Says the illiterate. Take Barnes advice and hit the books, Jim.

Dan Barnes: "...a number of people have suggested that the best thing you can do is do substantial background reading, reframe your argument and come back again."

Let me get this straight. You think the savanna is a forest and *I* should hit the books?

What's the matter loon, you don't have a direct quote? Of course not, because there isn't one.

See a shrink.
