So long as Verhaegin posts on this list, things are not likely to change.

:-D

My little boy, you produce 10 times as many posts as I do.
Why don't you just shut up?
I'm only answering your irrational attacks.

Savanna Fantasts are stupid stupid stupid.

Just page down or look for something useful to respond to. I dont think you can make psychological analyses based on the postings. They may neurotically get off on pushing your hot buttons. That's not stupidity, just asinine.
