Michael Moore canceled the showing of Fahrenheit 9/11 in at a high school in Crawford, Texas scheduled for Friday.

What a shame. Canceling the showing pisses me off.

My friend and I were planning on driving down I-35 from Oklahoma City to Crawford. Now what are we going to do ?

We were planning on doing some ass-kicking on Michael's little Commie/Faggot following. We were going to show them what good ole southwest hospitality is all about.

We could of had a lot of fun with these lying little smelly disease carrying queer bastards. And boy were we hoping Michael Moore would show up. Body guards or not, we would have fun with the pussy faggots.

Doesn't Michael Moore look like he carrying a disease, like Willie Nelson you just don't want to go near the nasty pieces of shit.
