Greetings,

This is an information update about our Discussion Blog on Human Aging and Longevity Studies:

<http://longevity-science.blogspot.com/>

This discussion blog is an interactive extension of our scientific and educational website:

"Longevity Science: Unraveling the Secrets of Human Longevity"

<http://longevity-science.org/>

The Blog contains 19 postings so far, open for comments (see below)

Any comments and suggestions would be greatly appreciated!

Thank you!

Kind regards,

— Leonid Gavrilov, Ph.D.
