Why Russia is America's ONLY Salvation...

I have been thoroughly involved in the "Struggle" for more than Two Decades.

Back in the day– it was called "The Movement". I still see it as a "movement" of sorts– resembling more of a "Bowel Movement" than a White Resistance type of "Struggle"...

Why do I say that...so called "fellow comrades"?

I'll state it– even though, as a white man myself, I am ashamed to say it.

But I will state it, anyway...

Read on:

The white race has always had great civilizations Implode on them...and they never learn that history repeats itself.

The "Microcosm is a Reflection of the Macrocosm".

A good majority of the white race must have a 'self-destruct' gene thoroughly ingrained deep within it's chromosomes.

The psyche as Unified Consciousness of the Caucasian borderlines somewhere between:

1) "I don't give a fuck"

&

2)"It's not my problem" rationale.

Most whites– myself included, before I "Evolved".....

like to play 'pin the tail on the scapegoat'.

Let's find 'ourselves a villain', who will exploit our true innate 'casualness'.

So...We find races who know how to 'play and work the system'...and blame them.

Why Russia is America's ONLY Salvation...

The biggest player of the system is the Joooooooooz.

Yeah, blame the jews...

Unfortunately– though 'the jews' have been thrown out of most major countries somewhere along the line, at sometime–
....they are just a "symptom" of when whitey stops paying attention to his 'Aryan Empire'...

If 'jooooooooz', or any other race for that matter, have over–run the system and have infiltrated the infrastructure, that deeply–
to "own everything!"...
then that power and ability had to be
"Transferred AND handed over to them by someone"..
By Whom?...shhh...thats a "movement secret!"–

When the brown and black skinned races have invaded, destroyed, and ghetto–ized everything decent...who allowed it to happen?
Who stood by and watched?
Who allowed the "Laws" to 'give them damn browns, blacks, yellows (ad nauseum)' the upper handed advantage?

Look Into The Mirror Whiteman!

If...(and it does) History shows that miscegenation dilutes the race...why
