Paul,

I suggest that you got yourself better informed.

this one is a quote from the latest(?) International agreement which in some countries also is written inside edited works, books etc.

" All rights reserved. No part of this[when it's inside a book. 'a' elsewhere] publication may be reproduced, stored in a retrieval system, or transmitted, in any form, or by any means, electronic, mechanical, photocopying, recording or otherwise, without the prior permission of the publishers"

Good Night.
