Olin and Seaver have recently presented their views on the map at a conference in Copenhagen. In Danish at

<http://www.kb.dk/kb/dept/nbo/kob/nyhedsbrev/#03>

it is stated that Olin did not claim that her results proved the map to authentic.

The conference program is found here <http://www.dpc.dk/DYNAMICS/>

And Inger/Eric Stevens/Seppo should take note of the following
