Since sci.archaeology has lately been swamped in OT quips,
I feel forgiven in advance for adding my own.

He might be "mistreated" for "borrowing" a donkey, and for
making someone else's fig-tree barren for the unspeakable
crime of not bearing fruit out of season.

I'll just "borrow" my neighbour's car and wreck
my bank's ATMs for refusing to pay me \$1000 when
the balance of my account is \$5. Just like Jesus
would.
