Agreed, Mr. Johnson! If all of those in this (and other) discussion groups will simply ignore whatever she says, whenever she says it, then she will eventually dry up and blow away. However, if anyone responds at all she will continue to make an idiot of herself. Like the proverbial "water off the duck's back" she will keep quacking and quacking with her obvious quackery. It is not worth reading, much less requiring a response.

Resolved: Do not respond or reply to anyone with the name I.E Johansson. Simply ignore whatever she writes. Bye-bye Ms. Johansson.
