Dr Towe, You have fallen victim to the very disease of which you previously complained. You are attacking the person rather than the argument. You will know this as 'ad hominem'.

Re: The Vinland Map's Ink

I AM very busy. I have today spent 15 hours visting a small obscure town some 300 miles away from where I live and examining physical evidence which eventually will lead me to a conclusion which I can support IN DETAIL.

Please don't criticise me for refusing to join in with your only partly informed free for all over the VM.
