How do I get you to honor me in this most desired manner?

Alternatively, how long do you think you will be fucking around, and up, on this newsgroup before you discover you are bored, er, have accomplished that which you set out to accomplish, declare victory, or satisfaction, or satiation, and move on?

More to the point, what can we do to give you the bum's ru...erm, help you out in this matter?

Send him over to aus.legal where he can talk to Seppo :-)
