<snip>

You really have to start flame-wars about Philips' implied "racism" and then start to talk to a well-known Nazi-pig ?

Are you really that dumb or are you a kook, too ?

Just when the cunt IngerE. was relatively quiet, you started your own little crusade.

Now we have the cunt back and you talk to Geifer.

And we can rest assured that the little war with Philip will go on.

Hurray !

I'll un-killfile IngerE again. We need some action, don't we ?

Cheers,
