You're story changes every 5 posts.

1st you argued the entire pyramid

Wrong. I always argued that only a part of the pyramid was casted. See my very first post in the thread

"Davidovits reached the same conclusion (Pyramid are PARTIALLY made of concrete) years ago."

then you argued the top half

I don't argue. I report Barsoum's hypothesis.

now you are arguing about outer and inner casing stones

The same. That is simply Barsoum's hypothesis.

the casing stones have been removed except for the top of the khafre.

And some bottom part. Isn't that enough to get samples?

whatever inner casing stones you believe were cast
I have no opinion on other than if you say

Re: Scientist Says Concrete Was Used in Pyramids

they were, they more likely would have been
carved by aliens from venus.

<plonk>

Jeeezzz, and you claim to be a skeptic...
