Which was?

This one. You started it. IEJ started the one
about Sanilac Petroglyphs.

Re: U.S. archeologists find possible mastodon carving on Lake Michigan rock

I'm afraid I didn't notice it.

By Odin, that is short memory, oe?

No. Misdirection. Confusion.

The link you posted didn't lead to a thread at all.

As far as I am concerned this IS the original thread. I presume now that your comment may have originated in another thread and when making your response you have crossed back over to the original. Is that what happened?
