However, this was 14 years ago. Is there more evidence that is up to date?

No.

To the question "Was there contact? "

And there having been no contact therefore there is no 'updates' heyerdahl made this claim and 'found' pottery that no-one else has been able to locate in situ.

"Contact between Polynesia and South America undoubtedly happened."

Ross Clark, Oct 18, 2007 on sci.arch.

What century?

More needs to be said.
