Matt's world is very limited. Did you know that Peter Alaca continues to respond to me? There are several others. Look it up.

No one is the least interested in talking about your obsession. You keep asking and everyone tells you they are not interested. You keep trying to start a discussion everyone has told you they have no interest in. You continue your obsession and the same thing happens every time.

EVERYONE tells you they are not interested in your delusional fixation yet you continue. No one gives a shit about you or Thiering. EVERYONE considers you an idiot.

No matter what you wish, no matter what you would like no one gives a shit about your, your interests or Thiering. No one cares about you David, not even Thiering.

There is no known connection between the Essenes and Qumran, the Essenes and the DSS and none between the Qumran and the DSS.

You remain an idiot.

David, you are the one who accused someone else of being obsessive – and not for the first time, either. So it seems only fair to point out that your various obsessions have so far ended your marriage, got you a restraining order and had you thrown out of one of the most tolerant and long-suffering churches around.

Holding Israel to western standards is antisemitic.
