There were only 12 authors in the "Getting serious about archaeological sites starting with Mehrgarh" Thread starting from Jul 11 2007.

No, not 12 but 7 authors, and not 237 but 39 messages, starting not 11 but 14 July
A fine example of your research.

I ignore completely your erroneous information.

Instead, I choose to educate you on Gregory Possehl; something you could have done on your own but never did.
