That is what
Jack said.

I am happy you take your
valuable time to track
every move I make.

No need to track you down.
Unlike you I use a decent newsreader.

I have a Google Group account.

That's what I said.

Why did you repeat Jack's contribution?

Why do you ask such questions when you can
read between the lines? Clearly, I did not check
whether ANYBODY, let alone Jack, had got there
