As far as I know he's not done a thing. I've gone and set up every Sat./Sunday and once on a wensday night and there's not been anything said by anyone. Ofcourse I've not gone inside the place either, found that a potapotty had been placed outside the fence by the scoccer fields, so if I have to, I go use it instead. I now just take a jug of water with me to drink. So while it'll not hurt them, they lost any sales to me.
