I want to thank you for taking the time to post this information in these ngs, regardless of your reasons. It is valuable information not easily found elsewhere and it looks like it will be extremely helpful to me. I have wanted to E-publish my essay for some time now for sale on the internet but I do not know how to collect for each sale. I hope you have covered that in your post, as I will begin now reading it through and following your suggestions.

Sincerely,
Tom Garcia
