Okay, this is a thought very much in the preliminary stages and could very well prove to be unrealistic. This is the only forum I know of that I am pretty sure of most of my fellow club members are not on so I would be letting the cat out of the bag if I asked for advice here.

Okay here it is....

Every year our astronomy club tries to do something nice for our volunteers, usually an award and/or raffle tickets. This year I was thinking of trying to put together gift baskets as thank you gifts. If someone were to give you such a gift basket what would you like to see in it? Okay, now please realize that our budget for each of these would be pretty darn modest. Based on feedback here it could very well be that this idea will have to be abandoned because it isn't feasible but I thought if I could hear your thoughts it would help me see what could (or could not) be done.

Thanks gang!

P.S. I finally got my own uniform for the Dark Skye Regiment yesterday! Here is a pic of me finally in uniform! Woohoo! ;-)
