[snipped for brevity]

something about this character is bringing out the best in humor, and I have needed a good laugh. I humbly offer (and welcome improvement) on the following proposed index for such score:

601 or higher: Dude, seriously, you're scaring me. Who let you off the dolly and took off your mask?  
500-600: The Theatans must have pushed that probe a bit to far up...  
400-499: Hey face it, the little foil hat is just not working; time to

Re: You are cataloguers,not astronomers

switch to the composite material endorsed by Whitley Strieber.

300–399: Okay, I am just going to slowly reach for this phone and .....uhhh...yeah, order some pizza. No, I am not calling the mental health authorities, why do you ask?

200–299: No, it is not normal to run around in your Skeltor underoos yelling "I AM the Master of the Universe! I AM Omnipotent," in response to another flame of your theory.

100–199: Much to your dismay, Billy Meyer did not approve your membership.

6–99: There is still hope for you; just go outside, breathe some fresh air, and stay away from the coast to coast website for at least a month.

5: Okay, you got me, I admit that I was just trolling.
