Agreed. It should be all about astronomy, however, some of the Atheist-Heathens in this group have no respect for persons of faith and start needless arguments/flame-wars. Therefore the topic of religion (or lack thereof) should be entirely avoided in this group.

Regards,

mij

Please MR MIJ,  
NO one gives a crap about your politics or religion. It's about Astronomy!  
like stars, planets, and such OK!
