I was thinking I should start a urban legend.  
Something like the "Sun is running out of fuel so we all need to stock up on wood to stay warn when it goes out".

You need to assure your audience that this information came from your mother's cousin's adopted son who is dating a girl whose great aunt works for the assistant of a famous astronomer – who is the source of the story. Authentication of this nature is essential to a genuine Urban Legend.

Eugene L Griessel

I sometimes think that God in creating man somewhat overestimated his ability.
