My post was intended to set the record straight in response to those serious accusations against me. I can't just let them sit on the Internet unchallenged.

Posting it eight times may not be the best way to obtain the sympathy of the readers here. Not only that, but we aren't idiots (well, except for the idiots but everyone knows who they are, except for them I guess). We can tell when someone is posting nonsense, given that we read so much of it here we are experts at it! I doubt many here were even able to make any sense out of the Pazimo postings, and the response by "Tom O" is pretty much self explanatory, if you know what I mean. ;-)

I think I know what you mean...

I've proven my case that the democrat party has indeed moved far to the left and is in bed with radical left, even revolutionary communist, organizations. How can a party select LEADERS who embrace groups and individuals who advocate overthrowing the American government and/or support our enemies. My apologies if you also are a democrat. Hopefully, you will now come to your senses, assuming you actually followed up on the links I provided, nearly all of which were to the orgs' own websites.

I never "equated" liberal democrats to "anarchists, Communists, terrorists, and supporters of Al-Qaeda". I said many liberal democrats, if not most, were DUPES of the "anarchists, Communists, terrorists, and supporters of Al-Qaeda." That is why they march in "anti-war" demons
