Laces up shoes are quite popular with men. However, lacing up women is even more popular in women and laces up shoes are in great demand by women. The appealing colours of lace tied to legs add more appeal to women and they simply look sexy. Lace up shoes with women can easily catch the attention of strangers on the road.

In lace up category of shoes, women have different choices like Chic-14 and Chic-36. These stiletto heel shoes are very striking and sexy. Apart from this, their elegance is irresistible. Chic-36 lace-up shoes look great when worn by women with a skirt. The bare legs and straps laced up can make every man on the earth kneel down.

Women in parties and clubs generally wear these shoes. The different spirals on the legs are very hard to resist and women find men gathered around themselves that reflect the appeal generated by these sexy shoes. These spirals easily tempt the imagination of everyone present in the gathering. These sexy shoes are available in different colours and sizes that cater to demand of all. The different colours give sexy look and add appeal to women.
