Assuming you're not a gigantic troll, I've got to ask one thing:

Would you subject your own child to eternal torture? Yes, or no.

(Assuming you answered 'no'.) Why would you worship a god-thing that would do the same? Think about it ... eternal pain and suffering. All the acts of Hitler, Vlad, and Stalin – indeed, all the 'sins' of humanity – put together don't equal the insane brutality of subjecting just one individual to the hell you seem so fascinated with. Face it, the god you worship is a sick, sadistic monster, nothing more. What does that say about you?
