You just made the same prediction you've made before. I told you before it wasn't going to happen, and, it didn't happen. How many more false predictions are you going to make here?

You are nothing more than another DOOM AND GLOOMER who keeps the pot boiling and NOTHING EVER HAPPENS! See my DOOM AND GLOOM FOREVER message thread in alt.astronomy for how much crap this is!

Told you so!

You are right ... this time that it would not happen. But who knows? It maybe in the comet's return journey next time or by another comet or by one of the many meteors and meteorites travelling in space. I just shared with you what I heard from the Holy Spirit. And I know that one day, His prophecies will happen.

You may not know and believe these prophecies but I would like to share with you some of His incredible prophecies. Would you believe that there will be babies (plural) who will be born with three eyes? Or babies without eyes or without nose or without ears or without eyebrows? Would you also believe that there will be human beings (of course, female) who will give birth to kitten or live fish? Would you also believe that there will be cats which will give birth to human beings? In my right mind, I know, I cannot give such prophecies. I have never read or heard that they have ever happened before. And I know that they are impossibilities. And I do not have the power to make them happen. But these are some of His prophecies. When they happen, will you please report them in this forum and in other fora? Who can make such incredible prophecies and make them happen? Only the
