us.

What we are saying,  
is we are paying,  
the white people,  
of God.

This is the land of America,  
and here we are full of pride.  
Socialism, Communism, Capitalism,  
all the same, What does matter  
is what matters, the thing that matters,  
is we are white.

Colorado the beautiful,  
land of pride and land of pride,  
Pride is whiter, pride is nicer,  
pride is people of the whities,  
The whities are the nicies,  
the wities have the pride,  
Pride is daring,  
Gosh is fearing,  
We are people of the God.

The land of the Colorado  
is supremacist white,  
proud communities,  
fascist ordinancy,  
police–America is our God,  
And the trust is between white.

Only white is the trustable worker,  
never mentions the president,  
the guns unite us people,  
Coloradons are the best!

Re: Eternal fascism

Supremacy is the eternal corruption of the American Government in history erecting Iraq today by Bush and Cheney as a model for 1.1 billion Arabs, a model for all Arab countries.

It is crimes against humanity and the American racism went too far. The entire US government today consists of criminals.

Howdeer Coloradon tavarish comrad, patron, God is mighty, I come looking for a job comrad patron, Deer season is just over, and God has brought me to this path of sharing and contributing, I bring my gun to work if that is not a problem, Colorado is the best place to live. I live right by the Church down the street, I am native as hell, my parents were native as hell. I shot my daddy. You know but it was a hunting accident, we make no mistake, he was a communist.

The USA is illegal. The government now has criminals, state-sponsored crime, racism is full-blown, the USA went from one of the most popular countries to the most hated country in the world, 80–90 percent of Arabs now think negatively of Americans while in the past Arabs thought positively of Americans, Iraq war full of racist conspiracies, and racism is the result, in other countries presidents who conspire once are removed, but supremacy has always haunted the American government. A fall, a collapse, a country suicidally destroyed by Bush, like a terrorist.

Doesn't matter what the facts are, if you go to the street and shoot somebody, there is 99.9999 percent chance you will go to jail.

Doesn't matter what the facts are, if Bush goes to Iraq and says there is twonny shiksh pagesh in Washington proving that Saddam harbored terrorists, and now there is even more pagesh proving that IRAN harbors terrorists, taking out countries based on KKK burning crosses is a racist crime, regardless of the facts that Saddam killed Kurds, the result of Bush's actions is that there is world-scale racism. Supremacy is fascism, and that's the result of a US government whose history is always infested with racism.

Re: Eternal fascism

Crimes against humanity. Torture by racism, state-sponsored torture, criminal police—America at its heart taking wars personal and corrupt.

As Ceausescu, Bush took all matters into his own hands and repressed Democracy with extreme racism.

All this fuck.
