Never argue with circumcized people.

Bush is a terrorist (criminal supremacy that stems to the 1930's KKK by erecting Iraq as a model country for other arab countries, a country better than Arabs and immensely worsening racism: 80-90 percent of Arabs think negatively of Americans while in the past Arabs thought positively of Americans, Bush compromised safety with racism, and mixed politics with piracy, supremacy and blackmail money. In other countries presidents who conspire once are removed, the great comoter with his army in 110 countries will NEVER be removed!).

Never EVER argue with circumcized people.

Arabs, Jews, Ku Klux rednecks.

Bush's fantasy island journey to topple a dictator...

The world didn't want to believe it.
