Crimes against humanity for big brother addiction, trapping people psychotically, molesting privacy, profiling and profiling, criminal invasion of libraries is stolen works of art. Crime upon crime upon crime. 15 million international books confiscated for profit without checking for copyright.

Stolen works of arts and humanities is what fascists did during world war as they swepted through Europe.

That's what it is.

Human rights terrorism, piracy, criminal addiction, overblown psychosis, mental illness, degenerate arrogance, ku klux klan piracy.

Big brother terror piracy.

Cruelty of the darkest Republican nature, generally fascism.
