.... ahahaha.... AHAHAHAHA... Well, Tom, it is good to hear
and it is about time that you admit and begin to recognize and
realize what enormous power I have over you. = Yet, you still
have no clue how it's done.... ahahahaha.. Piece o' cake, dude.

It is all done by you, yourself, via the self-resonating reflections of
your flubber waves that churn in your brain and bend your mind.
All I did was to INSTIGATE it... hahaha... YOU then did all the work!
* Do you realized the deep and profound meaning of this, Tom?*

ahahahaha.... ahahahanson
