Hi,

This is an obvious Ponzi ("pyramid") scheme. Such schemes are illegal in every state (and have been for a very long time). Use of the internet adds the offenses of wire and mail fraud to the mix. It is amazing that people still fall for this shit.

I hear some Nigerians are trying to hide a few million, and have randomly asked me to help them hide it.....

THE PAYPAL 6 DOLLAR MONEY-MAKING METHOD

I gave it a try, hey its only \$6, I figured at least 6 people would respond out of the MILLIONS of people that use the internet.

You should give it a try too!

You have nothing to lose, and a whole lot to gain!

A little while back, I was browsing through some interesting adds, just like you are now and came across an article similar to this that said you could make thousands dollars within weeks with only an initial investment of \$6.00!

So I thought, "Yeah, right, it must be a scam", but like most of us, I was curious, so I kept reading.

Anyway, it said that you send \$1.00 though paypal to each of the emails stated in the article.

You then place your own email address in the bottom of the list at ..6, and post the article in at least 200 news groups. (There are a lot)

Re: makin money

So after thinking about it, I went ahead trying it.

I figured what have I got to lose except \$6.00 small dollars, right?

Like most of us I was a little skeptical and a little worried about the legal aspects of it.

It follows the same regulations as the "mailed chainletters, which according to the U.S. Post Office (1-800-725-2161) is indeed legal!

Then I invested the measly \$6.00.

Well GUESS WHAT!!?

Within days, I started getting money in my paypal account!

I was shocked!

I figured it would end soon, but the money just kept coming in.

This is now my fourth week and I have made a total of just over \$24,641.00 and it's still coming in rapidly.

It's Certainly worth \$6.00.

Let me tell you how this works and most importantly, why it works?

REQUIREMENTS:

You must have a verified paypal account.

If you do not have an account you can go to www.paypal.com..... and get a free account.

I would suggest signing up for a business account because it does not limit you to the amount of money you can receive.

Example: with a Personal account you are limited to receiving \$500.00 a month and withdrawing \$500.00 a month.

And trust me you WILL be receiving more than \$500.00 a month!

Like i mentoined before In order to place the initial \$6 into your account, you will have to verify your bank account with paypal (which may take a few days).

STEP 1:

Send, through paypal, \$1.00 to each email on the below list. Make the subject of the payment "Email List" and in the comments, write "PLEASE PUT ME ON YOUR EMAIL LIST." What you are doing is creating a service by

Re: makin money

Re: makin money

this and best of all you are not giving your address to anyone ... THIS IS ABSOLUTELY LEGAL!

The email list:

#1) bearcat@xxxxxxxxxx

#2) pasimo@xxxxxxxxxx

#3) sfmm7@xxxxxxxxxx

#4) hsweaney1224@xxxxxxxxxx

#5) edh_32@xxxxxxxxxx

#6) mistysky37@xxxxxxxxxx

STEP 2:

Now take the ..1 email off the list that you see above, move the other addresses up(6 becomes 5, 5 becomes 4, etc) and add YOUR email address (the one used on the paypal account) as number 6 on the list.

STEP 3:

Change anything you need to, but try to keep this article as close to original as possible. Now, post your amended article to at least 200 newsgroups, message board. (I think there are close to 32,000 groups) All you need is 200, but remember, the more you post, the more money you make – as well as everyone else on the list!

For example: you log on to any search engine like yahoo.com, google.com, altavista.com, excite.com then you search with subject like ?millionaire message board? or ?money making message board? or ?employment message board? or ?money making discussions? or ?money making forum? or ?business message board? etc.
