minds that

what was now happening could not last long. There were times when the fact of impending death seemed as palpable as the bed they lay on, and they would cling together with a sort of despairing sensuality, like a damned soul grasping at his last morsel of pleasure when the clock is within five minutes of striking. But there were also times when they had the illusion not only of safety but of permanence. So long as they were actually in this room, they both felt, no harm could come to them. Getting there was difficult and dangerous, but the room itself was sanctuary. It was as when Winston had gazed into the heart of the paperweight, with the feeling that it would be possible to get inside that glassy world, and that once inside it time could be arrested. Often they gave themselves up to daydreams of escape. Their luck would hold indefinitely, and they would carry on their intrigue, just like this, for the remainder of their natural lives. Or Katharine would die, and by subtle manoeuvrings Winston and Julia would succeed in getting married. Or they would commit suicide together. Or they would disappear, alter themselves out of recognition, learn to speak with proletarian accents, get jobs in a factory and live out their lives undetected in a back-street. It was all nonsense, as they both knew. In reality there was no escape. Even the one plan that was practicable, suicide, they had no intention of carrying out. To hang on from day to day and from week to week, spinning out a present that had no future, seemed an unconquerable instinct, just as one's lungs will always draw the next breath so long as there is air available.

Sometimes, too, they talked of engaging in active rebellion against the Party, but with no notion of how to take the first step. Even if the fabulous Brotherhood was a reality, there still remained the diff
