Is that like using the people of the third world as the grist for the Anything Into Oil alternative energy systems suggested to replace the Middle East fossil sources?

--

"By the life of God, it doth even take my wits from me to think on it! Here is such controversy between the sailors and the gentlemen, and such stomaching between the gentlemen and sailors, that it doth even make me mad to hear it. But, my masters, I must have it left. For I must have the gentlemen to haul and draw with the mariner and the mariner with the gentlemen. What! Let us show ourselves all to be of a company and let us not give occasion to the enemy to rejoice at our decay and overthrow. I would know him, that would refuse to set his hand to a rope, but I know there is not any such here." -+Sir Frances Drake
