The OCTOBER SURPRISE will have the following players:

Deputy Secretary of State Richard Armitage, who had a big hairy palm in the criminal doings of the Reagan Administration in the Iran-Contra scandal and drugs for arms and death squads in Nicaragua.

Armitage, werewolf or vampire of humanity???

Profits of Terror, CACI and CSD DynCorp, of which Armitage has made some whoopie in the past.

WATCH FOR THE

"BIG SURPRISE" [already in Masonic circles called "the event"]

OF OCT 2004 THAT WILL "SWING" THE U.S. PREZ ELECTION [MUCH LIKE THE FAKED COLONEL BECKWITH FAILED RESCUE MISSION IN IRAN LONG AGO THAT LOST CARTER HIS REELCTION. IN SWOOSHED B-ACTOR RONNIE REAGAN, HIS MOVIES WILL OUTLIVE HIS DEEDS AS A PRESIDENT.

The big OCTOBER SURPRISE which the GW White House has been engineering in order to spring on the US public just before the elections of November, in order to win the election through hook or crook, can be either of the following:

- 1) _____ [something to do with doctored intelligence]
- 2) _____ [something to do with Riggs Bank]
- 3) _____ [framing somebody like that Portland lawyer with terrorism even when the Spanish government was ready to tell our FBI to go to hell in Madrid for being one-track wackos determined to frame the wrong guy in order to satisfy the White House]
- 4) Diebold Election computers make a new definition of FRAUD.

or, you fill in the _____ and post it here!!!!

Come on y'all ... use your heads before they finish off your ass!

What exactly will be the BIG EVENT or the BIG SURPRISE of Oct. 2004 planned secretly by the social engineers who played the Oliver North card during Gulf War I and got away with it and implanted Ronnie Reagan the B-actor in the White House like an embedded cochlear device [and making Jimmy Carter look less than noble, poor soul?]

I hope the counter-forces "splatter" this devious and illegal and immoral deployment already called "THE BIG EVENT OF OCT. 2004" Such fraud would be worse than the moral and court system debacle of the fixed 2000 presidential elections. Will those "ho's" stop at nothing?

The question should be, what did WACKENHUT and SODEXHO prison conglomerates put in the water of Florida [i.e. rigged water supplies — as in RIGGS BANK, rigged elections] and Texas [prison scandals that need an African American Solzenhetzen author in the trenches to publicize to the global community] and Iraq [McDonaldization of troops via exploitation of the Reservist Units and willy nilly validation of much better paid philistine 'contractors' and hired killers for Coots& Boots, Blackwater Securities, Halliburton, KROLL SECURITY, KROLL SERVICES, Halliburton, Carlyle Group, Wackenhut, Sodex—the–Ho, et al — they truly are making the people so demented, who were affected by their food supply "treatments", to go so far out as for our contract and part time underpaid Reserve weekend soldiers and Lariam psychotized career soldiers ...

... to homosexually rape Muslim civilians [men and women] in Iraq, and for Floridian drones to rig the presidential elections in Florida last "Diebold" fraud cycle. We are speaking about a family of lying and radio controlled automatons like the Bush family, out there in Texas

[have you ever noticed that whenever GW speaks he is listening to a radio feed embedded into his brain as if he has a cochlear implant, and simply repeating what he hears in the radio transmissions from Central Control?]. Watch and see for yourself the next time Bush speaks on TV and you will clearly see!!

The 47 second OMS burn of July 29, 1985, produced the largest and most long-lived ionospheric hole to date, dumping some 830 kg of exhaust into the ionosphere at sunset. A 6 second, 68 km OMS release above Connecticut in August 1985, produced an airglow which covered over 400,000 square km.*
