Well, the Marianas Trench is part of the Ring of Fire.

The heat, plus the famously high humidity, probably gets a lot of them via heat stroke.

Well, that and drinking too much salty beer, which seems to send them to the slammer a lot.

xanthian.

"I'm down in the bottom,
Down here in jail,
My woman love me
But she can't make bail;
No, no, no.
I swear to god she love me,
But she just can't go my bail."
