JCT: This is the second Application to the Supreme Court of Canada for leave to appeal the Aitken Appeal decision #40127 rejecting that the Parker Declaration of Invalidity made "all-prohibitions-invalid." "API" The Crown has 30 days to submit their memorandum before Nov 7 2004. Then I have 10 days until Nov 16 to submit a Reply. This is about convincing them it's important enough to get in and having the Parker decision applied to every other section is a big issue.
