"Brainwashed" is what half the American population became when Karl Rove persuaded them that "liberal" is a curse.

"Democrat" is a word used to describe the opposite attitude to what you see in North Korea and Burma.

"Liberal" used to be what was great about America, as opposed to the situation behind the iron curtain.

"Idiot" is used in Europe too. It is shorter than "Karl Rove", "Dick Cheney", "Donald Rumsfeldt", "Paul Wolfowitz", "Condoleezza Rice" or "Richard Perle".
