Good people cannot turn bad people into good people by being good, it only generates resentment.

Composers are like wine: they better with age (from my email log...)

Countries are more like anemones than vertebrates, a severed part can grow and thrive by itself.

Anticipating somebody's truth can make it appear as a lie...

> *It is simpler to tell things straight than backwards, there is more*

> *than way to invert a sentence.*

>

> *By definition, countries lie, they are opaque to each other, for truth*

> *you need a trustful spy.*

>

>> *Some `mistakes` are actually truths that were reasoned when they were*

>> *supposed to be accepted lies.*

>>

>> *You know you are at peace with yourself when you would not like to*

>> *become anybody else but yourself, not at any prize. That means you*

>> *really like you!*
