Hi friends,

I would like to share information regarding a Property Exposition, i.e., "INDIAN REALTY SHOW 2008" which is the Largest Pan India Real Estate Show Ever in USA. Join the "Legal Experts, Vaastu Consultants, Private Equity Consultants and Realtors" in the largest Indian Realty Showcase in USA." The Show is being organized by ONE PLACE INFOTECH.

## MEET & MARKET & LEARN

VENUE: San Jose, California on 29th & 30th March 2008  
Secaucus, New Jersey on 5th & 6th April 2008

www.atoneplace.com: Is an 'online real estate market place' built on pillars of trust, transparency and higher level of service expectation. We bring together top developers from India, professionally qualified International Realtors and customers from across the globe on a single platform wrapped with a blanket of service, to facilitate their real estate needs. The platform offers choicest of options from the most proven batch of Developers (Builders) and a global chain of professional realtors who not only showcase the project but also assist an individual with mortgage, documentation and post sales support for an enhanced customer service experience.
