<< Does anyone know of a source for rotary stepping relays? AKA Step relays, sequencing relays, Strowger relays. I need several that have at least two poles, and 10 positions. Yea, I know I could accomplish the same thing fairly simply with electronics, but this is an "art project", and the coolness is the sound and action of the old relays.

I searched the web ad-nausium with no luck.

>>

Did you google for "sxs switch?" That's step-by-step. I got over 3k hits.
