Viafine Electronic & Technology Limited (<http://www.viafine.com>) deals mainly in the supply of Printed Circuit Boards (PCB,FPC).
Single-Sided PCB(http://www.viafine.com/english_single_sided_pcb.html)
PTH Double-Sided
PCB(http://www.viafine.com/english_double_sided_pcb.html)
NPTH Double-Sided
PCB(http://www.viafine.com/english_double_sided_pcb.html)
Flexible
PCB(FPC)(http://www.viafine.com/english_flexible_rigid_flex_fpc_pcb.html)
Multi-layer PCB(2~12
Layers)(http://www.viafine.com/english_multilayer_pcb.html)

for worldwide customers. with more than ten years of specialized experience and excellent engineering Team, Viafine is responsive to customer needs for speed to market, and offers fast and accurate solutions for Quick Turn Around (QTA) needs.

Our QTA service is combined with cost reduction and DFM (design for manufacturability), we can provide faster than normal response in prototype and production quantities.

Prototype through to volume manufacture is all made via the same state-of-the-art tooling, manufacturing and test facilities. There is a single tooling charge. No additional tooling charges are made to customers when the product goes to volume.

Various levels of service and volume apply depending on specific needs:
Single-Sided and Double-Sided: 1-3 Day QTA sample.
Multilayer PCB(4~6 layers): 4~6 Day QTA sample.
Multilayer PCB(8~12 layers): 7~8 Day QTA sample.
10~15 Day Mass production first lot.

Packing and Shipping Departments ensure that the product is accurately shipped to the customer by the most efficient route using purpose designed packing protection in accordance with the customer's request such as FOB CIF & DDU.

PCB Material Highlights: FR4, CEM1, CEM3, FR2, FR1, XPC,IMS,FR-5, High

Quick Turn PCB Manufacturing – Viafine PCB Manufacturer

Tg, Green Material

PCB Production Highlights:

Single-Sided PCB : http://www.viafine.com/english_single_sided_pcb.html

PTH Double-Sided PCB:

http://www.viafine.com/english_double_sided_pcb.html

NPTH Double-Sided PCB:

http://www.viafine.com/english_double_sided_pcb.html

Flexible PCB(FPC):

http://www.viafine.com/english_flexible_rigid_flex_fpc_pcb.html

Multilayer PCB(2~12 Layers):
