GENMA Technology Hong Kong Limited Co. is an export-oriented PCB (Printed Circuit Board) manufacturer . We can provide the single-side PCB, the double-sides PCB and the multi-layer PCB
Contact: Mr. LIU CANFA
Company: GENMA Technology Hong Kong Limited Co.
Address: AiLian B District, LongGang Town
Zip Code: 518121
Phone: 0086-....

Your phone number is in China, not in Hong Kong... it should start with +852.

A small thing, perhaps, but it's bad to start off with such discrepancies.
