Boy, you sure are disrespectful to African-Americans. I am surprised you wrote that. Personally, I would be ashamed if I had written that.

What is a "wanker", anyhow?

I follow a principal that has been proven valid over and over again:
KISS – Keep It Simple, Stupid!

There are so many simple solutions that people tend to overlook them. For years conservatives have been saying that the solution to welfare moms is to put them to work. Liberals kept on resisting, coming up with excuses for these people. Well, finally one President saw the light. And guess who that was: Clinton! Now, the majority of these moms are back to work and we have broken the cycle of welfare enslavement. This was probably one of Clinton's greatest achievements. And I salute him for it.
